Would you
like help to
Speak Out

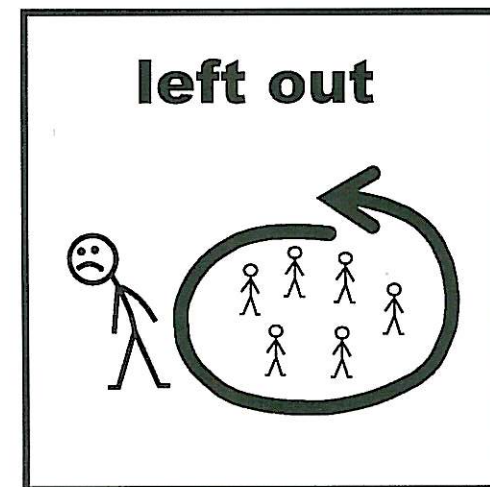

and
Be heard !

Would you like someone to
come with you to a meeting
and help you say what
YOU want ?

*Advocacy is a fancy
name for standing up
for a person and
sticking with them
through thick and thin .*

We will help you speak up ,
and better still
we are not part of any other
organisation

Do you wish there was
someone who just
listened to your side
of things for a
change?
