Would you like
help to
Speak Out?

And
Be Heard?

What is Advocacy?

Advocacy means standing up for you and taking your side.

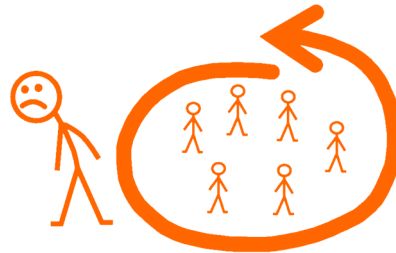

Our advocacy is **free** and **confidential**, we will keep things private.

We are not part of any other organisation.

Do you sometimes feel left out?

left out

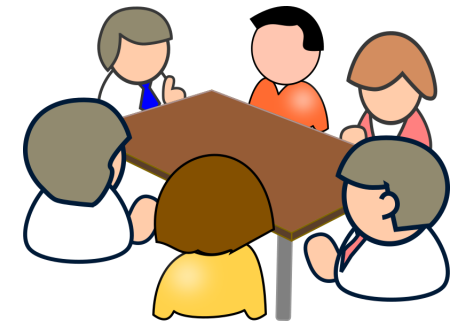

Do you feel that **no-one** listens to what you say?

Do you find it hard to speak up?

We can help you to **speak up** in a meeting.

We can help make sure people **listen to you** and what you want to say.
